Commissioner for Patents

The information disclosure statement filed 22 March of 2002 failed to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because it did not contain a list of all patents, publications, applications, or other information submitted for consideration by the Office, as required by 37 C.F.R. § 1.98 (a)(1). It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Because the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) is the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e), the list of references provided on 06 May of 2005, in so far as it includes those references provided in the IDS of 22 March of 2002 has not been considered because it was filed after a notice of allowance was mailed and it did not include a statement and fee as required by 37 C.F.R. § 1.98 (d). See MPEP § 609 ¶ C(1).

Any inquiry concerning this communication should be directed to John D. Ulm at telephone number (571) 272-0880.
